*Power Words That Activate and Super-Charge Your Manifestations.*

Are you ready to super-charge your Law of Attraction resources? When we are in the process of manifesting new people, places and things in our lives and we are only working with intention and energy, Our physical manifestations are the result of how we support our intention with the energy infused in every word, thought and action.

All of these words activate additional energy because they reference the non- physical, which supports your intentions.
